

**SPRAGUE HIGH SCHOOL**  
**2017-2018 Booster Club Letter**

Dear Sprague Family,

**Welcome to the 2017-2018 school year!** We are excited to support our beloved Olympians and hope to continue with more exciting renovations and upgrades.

Our Booster purpose model is to generate funds through concession sales and business advertising to pave the way for facility upgrades. For example, Fall of 2015 we added a **10'x 16' video board for events** in the Sprague Gym. Events will be enhanced with instant replay, advertising by sponsors and students/spectators images on the "Oly Vision" board.

We will continue working with Sprague Administration, staff, and students in a variety of capacities. For instance, each year we provide approximately \$3,000 in scholarships to Oly seniors with a Sprague Booster Scholarship. Sprague's video production class, led by Teacher Phil Rodin will video varsity home football, volleyball and basketball games, wrestling meets and dance competitions. They will produce the events while earning credits toward graduation. How can you help? You can support the Boosters by helping with concessions, serving on our board and or making a tax deductible donation(family,business or parking pass).

In closing, Sprague Boosters would like to encourage you to become an official Sprague Booster Olympian Family for the 2017-2018 school year. Donation applications are attached. If you have questions about how you can get more involved, please feel free to contact **David Brown at 503-932-7000**.
