

The Rotary Club of Salem-Creekside Schools Partnership

The Rotary Club of Salem-Creekside acknowledges the value of a good education especially during these unprecedented times. A firm foundation opens doors and creates a healthy, productive future for all. We look forward to building a closer relationship, not only through the Richard Beck Scholarships, the Rotary Club of Salem Creekside Achievement and Challenge Awards. We invite parents and neighbors to join us at our open meetings dedicated to current issues facing our community.

Join us via zoom or in person at Danny's on the Green, Creekside Golf Course, 6250 Clubhouse Dr. SE. Keynote speakers include:

October 1st, Kathy Goss, Salem Keizer School Board member

October 8th, Dr. Stephen Thorsett, Willamette University President (Claremont School of Theology)

October 15th, President Bob Weber, Blanchet Catholic School

October 29th, Andy Schiefer, Principal Crossler Middle School

For additional information about our projects, activities or to make a reservation, please visit our website www.clubrunner.ca/salemcreekside. Be our guest, join the fellowship and find out how **“Rotary Opens Opportunities”** and makes a difference every day in people's lives, giving children and families just a little bit of hope when all seem hopeless.
