Job Corps Scholars gives 16 to 24 year old young adults an opportunity to pursue career technical training that leads to employment, further education, an apprenticeship or enlistment in the armed forces in one year or less. Each student receives intensive support to meet their personal and career goals. There is no cost to attend Chemeketa Community College for participants in this program.

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration.
